Create Quotes & Orders

These browser-based applications automate the configuration of build-to-order products. Designed to be flexible, it provides the capability to efficiently quote and order highly customizable and configurable products

ModelBuilder for SAP Business ByDesign

CIS

Sales Quotations

CSRs and Sales Reps create quotes and orders with configurable products based on the price list assigned.

Sales Orders

Guiding the user through questions and answers CIS Configurator creates accurate Sales Orders.

Outside of SAP

Sales personnel, Dealers and resellers access the CIS Configurator Web Portal, generating quotes with configured products that can be revised before generating either a Sales Quotation or a Sales Order in SAP.

Generate Sales Orders in SAP.
